### IF AMERICAN MUSLIMS CAN DEFEAT APPLE, COCA COLA, AND NIKE WE CAN DEFEAT THE HINDUTVA LOBBY AS WELL

China is a superpower and trillion-dollar companies including Apple, Coca Cola and Nike were lobbying for Made in China products. But Alhamdu lillah, Uyghur Americans and Justice For All's Save Uyghur Campaign defeat them and the law against the Chinese products made from enslaved labor was passed. Burma Task Force was also able to defeat entities lobbying Congress in support of Burma. With Dua and Sabr it is possible. Islamic Center of Naperville defeated Hindutva in their city to win a permit to build a new masjid. Muslims in America successfully worked in coalition to ban Modi in the USA. How does that happen?

### HINDU EXTREMISTS CLAIM KAABA IN MAKKAH IS A HINDU TEMPLE

After destroying the historic Babi Masjid in India, RSS militia lays claim on other masjids in India as birthplace of other Hindu gods- especially in Kaashi and Mathura. They also claim the Kaaba, the Qibla of Muslims, is a Hindu temple. They say Kaaba is derived from Kaabalishwara - the name of Hindu diety Shiva after he took the crescent moon on his head. They also profess that the Tawaf around Kaaba is a Hindu practice and Hajar Aswad is actually the penis (linga) of Shiva which Muslims kiss. Daniel Pipes, a Zionist Islamophobe in America popularizes this wild claim on his website in USA.

### HINDUTVA NOW ATTACKS TAJ MAHAL

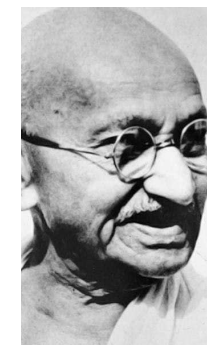

RSS-BJP leaders are wiping out Muslims from India. Masjids are constantly under attack in India. The method to this madness is the same used against the historic 500-year-old Babri masjid: first claim that it was a Hindu temple; then attack the mosque; file court cases without proof of ownership, then demolish and rebuild a temple in its place. Now an icon of Muslim India, Taj Mahal, is under attack. claiming that the Taj Mahal was built on a Hindu temple, a leader of India's ruling BJP party calls for destruction of this monument of love - calling for a temple to replace it. The stunning white marble mausoleum was built in the 17th century by Mughal King Shah Jahan in memory of his wife, Mumtaz Mahal, in Agra, about 200km from the Indian capital, New Delhi. But in today's India, even children are taught to hate Muslims. Here is an excerpt from a 6th grade government issued textbook: "They (non-vegetarians) easily cheat, tell lies; they forget promises; they are dishonest, say bad words, steal, fight and turn to violence and commit sex crimes." Thousands of mosques in India, especially in Kashi, Mathura are under attack while trillions of dollars' worth of Muslim property is usurped by the Indian government.

The Washington Post  
**INDIA: THE MOST RACIST  
COUNTRY IN THE WORLD**

The World Values Survey by Swedish economists determined India is the most racist country in the world.<sup>6</sup> Minorities are essentially barred from many neighborhoods. Black foreigners are attacked, non-Aryan tribal people and Dalits (also known as “untouchables”), Christian, and Muslim minorities live in fear, often in ghettos. The 2008 hit film Slumdog Millionaire depicted children of India’s minorities who live in urban ghettos.

According to Pew Research Center, India is among the worst 5 countries with overall levels of religious restrictions. RSS propaganda, through changes to school curricula, threats, and assassination of journalists critical of the fascist Hindutva ideology has resulted in the dehumanization, and increased persecution of lower caste Dalits, Muslims, Christians and Buddhists. Holocaust Museum’s Early Warning Project warns of mass killings in India, as it ranks #2 globally.

**BRANDING MUSLIMS AS BLACK RAKSHASAS  
TO JUSTIFY RAPE, TORTURE & MURDER**

Yati Narsinghanand who heads a Hindu Army anchors his dehumanization of Muslims in Hindu religious terminology, by branding Muslims as Rakshasas. Thanks to Bollywood, everyone in India knows what Rakshasas are. Rakshasas are the embodiment of evil, depicted in Hindu religious literature as black skinned monsters. They are man-eating cannibals, the female appear as beautiful women. Hindu god Rama tortured them and buried them alive. Hindutva extremists and Indian nationalists are reviving the rakshasas concept in today’s India to justify violence against Muslims. It posits Muslims as legitimate enemies to be killed. It also legalizes sexual violence against Muslim women since Manu smriti, the Hindu book of laws, subjects rakshasas to kidnapping, bride capture, and other forms of sexual violence.

**INDIAN PM MODI WORSHIPS GUNS & ALLOWS  
ATTACKS ON MUSLIMS TO GO UNCHECKED**

A part of the RSS program is the worshipping of weapons called Shashtra Puja. Modi often poses with the type of weapons that are used to attack minorities. After the worship, he calls upon security personnel “to imbibe the significance of the worship of weapon as preached by the age-old tradition”. His website has more photos of his gun worship: <https://tinyurl.com/ModiGunWorship>

Modi not only worships guns, he presided over a massacre of Muslims. Before becoming the Prime Minister of India, Narendra Modi was banned from entering the United States and the UK for over a decade because of his role in the 2002 massacre of Muslims in the Indian state of Gujarat.

**INDIAN SUPREME COURT SAYS  
MASJID IS NOT AN ESSENTIAL PART OF ISLAM**

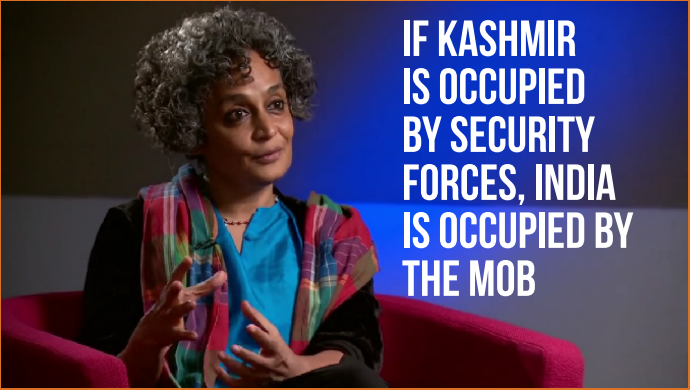

While the RSS-BJP regime is taking India towards genocide, the Indian courts have carried an anti-Muslim bias, long before Modi came into power. For example, in 1994, the India Supreme Court ruled that the masjid is not an essential part of Islam. The recent decision by a state High Court that hijab is not an essential part of Islam, prohibiting Muslim students and teachers from attending schools with hijab is simply a reverberation of that attitude. The Indian Supreme Court after admitting that there is no evidence that Babri Masjid was the birthplace of Hindu god Rama, awarded the 500-year-old mosque to Hindus claiming it a matter of Hindu belief. It took the Indian court system 70 years to decide the Babri Masjid case.

**INDIAN JIM CROW LAWS TARGET MUSLIMS**

Ghettoization of Muslims is being achieved through a twin strategy, legal and extra-legal. Extra-legal is the most common method. There are hundreds of Hindu militias, called dal, sena, or bahini in India - a part of RSS-BJP family. They attack Muslim homes, businesses and mosques, especially where Muslims are very small in number. Muslims leave their properties and run away to save their lives. They end up in ghettos. This is what happened in February 2020 when Muslims facing attacks in Delhi were forced to move out.

The other method is a set of laws dictating Muslims housing choices which results in ghettoization. Brown University Professor Varshney has coined the term *Jim Crow Hindutva* to describe what is being done to Muslims in today’s India is like what was done to Blacks in 19th century America. Dr Varshney says that the BJP is making laws to turn Muslims into second-class citizens of India. These set of laws cover interfaith marriages, cow protection, conversions, citizenship laws, and the targeted use of terrorism laws. At the moment, there are more than 30 laws which discriminate against Muslims.

**RSS IS THE STATE: ARUNDHATI ROY**

“The most powerful organization in India, the far-right Hindu nationalist Rashtriya Swayamsevak Sangh, or the R.S.S., with more than 600,000 members including Narendra Modi and many of his ministers, has a trained “volunteer” militia, inspired by Mussolini’s Black Shirts. With each passing day, the RSS tightens its grip on every institution of the Indian state. In truth, it has reached a point when it more or less is the state.” Excerpt from her article in New York Times: <https://tinyurl.com/ArundhatiModi>

**ARE YOU THE PRIME MINISTER OF INDIA OR  
THE AMBASSADOR OF PAKISTAN: MAMATA  
BANERJEE QUESTIONS**

Anyone who criticizes the RSS-BJP regime is labeled a Pakistani or is asked to go to Pakistan. All Indian Muslims are accused of being Pakistani. Some were imprisoned because they were suspected of praising Pakistan’s cricket team or listening to Pakistani songs. When West Bengal chief minister Mamata Banerjee was compared to Pakistan’s Imran Khan by BJP General Secretary, she did not take it lightly. “Whenever an issue is raised by an Indian citizen, Prime Minister advises the person to go to Pakistan, to divert attention from the growing economic crisis in the country, West Bengal Chief Minister Mamata Banerjee said on Friday. “If someone asks for a job and says [he] has no work, PM [Prime Minister] asks the person to go to Pakistan. If someone says we don’t have an industry, he tells them to go to Pakistan. Pakistan can talk about itself, as much as it wants; [we] should talk about India. This is our motherland, all of us were born here,” Ms Banerjee said. Are you the Prime Minister of India or the Ambassador of Pakistan?” Daily Hindu

**THE US ALLIES OF INDIAN FASCISTS**

RSS and its affiliates have many leaders, foot soldiers, and offices in the U.S. The Hindu American Foundation is one such operation which operates as an American front organization for India’s fascists, by positioning itself as an interfaith and civil rights group. Another US-based operation, the Vishwa Hindu Parishad America, is a chapter of Vishwa Hindu Parishad, an RSS offshoot, which the US State department classifies as an extremist group. Some of these organizations align themselves globally and in the US with white supremacists, the KKK, Aryan national groups, Zionists and Islamophobic groups. Democratic Congresswoman Tulsi Gabbard is closely tied with these groups as is Congressman Raja Krishnamoorthi.

**‘RAPE DEAD MUSLIM WOMEN’ SAID YOGI  
ADITYANATH; MODI MADE HIM CHIEF MINISTER  
OF UP, THE LARGEST STATE IN INDIA**

Yogi Adityanath, member of BJP Hindu right wing fundamentalist party told Hindus to rape dead Muslim women. Indian Prime Minister Narendara Modi appointed him chief minister of UP, the largest Indian state. Yogi is a Hindu religious title for a master of Yoga.

In his speech to a charged crowd he said that “we will take the right of vote from the Indian Muslims and declare them 2nd class citizens.” He also said: Masjid will be converted into Hindu temples and instead of Muslim call to prayer ‘Azan’, they will call ‘Har Har Mahahdave’ from the Masjids. He told the crowd: ‘take the Muslim women out of their graves and rape them’. More: [BBC.com/news/world-asia-india-39403778](https://www.bbc.com/news/world-asia-india-39403778)

**IN INDIAN SYSTEM, DALITS, INDIA’S BLACKS  
ARE CONSIDERED UNTOUCHABLE**

The religious term for caste system in India is Varna. Varna literally means color. Indo Aryans established this racial classification to keep Indian blacks as outcaste, impure, polluted, less than human, therefore literally untouchables. National Geographic writes that “A random sampling of headlines in mainstream Indian newspapers tells their story: “Dalit boy beaten to death for plucking flowers”; “Dalit tortured by cops for three days”; “Dalit ‘witch’ paraded naked in Bihar”; “Dalit killed in lock-up at Kurnool”; “7 Dalits burnt alive in caste clash”; “5 Dalits lynched in Haryana”; “Dalit woman gang-raped, paraded naked”; “Police egged on mob to lynch Dalits”. “Dalits are not allowed to drink from the same wells, attend the same temples, wear shoes in the presence of an upper caste, or drink from the same cups in tea stalls,” said Smita Narula, a senior researcher with Human Rights Watch, and author of Broken People: Caste Violence Against India’s “Untouchables.” “India has 600,000 villages and almost every village a small pocket on the outskirts is meant for Dalits,” Paul Divakar, a Dalit activist, told CNN. They cannot live in the main village. Approximately 400 million people are Dalits and aboriginal tribes. The caste system is legal in India and fully practiced by Indians. Three highest castes constitute 15% of the population yet control 66% representation in politics, 87% in services, 94% in trade, and 92% in land ownership. Even in the United States caste system and untouchability is practiced by upper caste Hindus. According to Equality Labs, two-thirds of Dalits surveyed, say they have faced workplace discrimination due to their caste in America. And a quarter of Dalits say they’ve faced physical assault — all in the United States.
