

STOP GENOCIDE

70% of the people of Gaza are refugees • 61% of West Bank is off-limits to Palestinians • 712 km of an apartheid wall divides Palestinian towns • 593 Israeli checkpoints obstruct Palestinian movement within their lands • 5.6 million Palestine are registered refugees with the UN • There are 700,000 illegal Jewish settlers in the Palestinian lands • Israel controls 85% of Palestinian water supply • Israel bulldozed 55,048 Palestinian homes and other structures

STAND WITH PALESTINE

PHONE IS POWER • CALL NOW • CEASEFIRE • STOP BOMBS • ALLOW FOOD, WATER, MEDICINE

How many more children need to die in Palestine before the US calls for a ceasefire? The US must not be a partner in Israeli war crimes.

5 MINUTES ACTION REQUESTED: CALL NOW FOR CEASEFIRE

- Visit JusticeForAll.org/Palestine to make a direct call to your elected leaders. Phone calls to your elected officials are powerful. Our website provides the sample script.
- Keep Tweeting: Address President Biden: @POTUS copy: @JakeSullivan46 • Use Hashtags: #RestoreWater&Food #CeaseFire #EndApartheid #FreePalestine
- Volunteer for more action: JusticeForAll.org/Volunteer

OUR ASK:

- The US must call for ceasefire now
- The US must pressure Israel to restore water, food, medicine and fuel to Gaza.
- Ask Israel to end apartheid and free Palestine!

The media is the most powerful entity on earth. They have the power to make the innocent guilty and to make the guilty innocent, and that's power. Because they control the minds of the masses.
