FORMER ISRAELI PRIME MINISTER CALLS ISRAELI 'HUMANITARIAN CITY' IN GAZA A 'CONCENTRATION CAMP'

A planned "humanitarian city" inside Gaza intended to hold hundreds of thousands of Palestinians would be a "concentration camp," former Israeli Prime Minister Ehud Olmert has warned.

Defense Minister Israel Katz said last week he had told the military to advance plans for the zone, which would eventually contain the entire population of Gaza. The area would be built on the ruins of the city of Rafah in southern Gaza, and once Palestinians enter the zone, they would not be allowed to leave.

"It is a concentration camp. I am sorry," Olmert told The Guardian newspaper on Sunday. "If they (Palestinians) will be deported into the new 'humanitarian city', then you can say that this is part of an ethnic cleansing."

28 WESTERN NATIONS SAY GAZA WAR 'MUST END NOW,'

Twenty-eight countries including Canada, Britain, Japan and a host of European nations issued a joint statement Monday saying the war in Gaza "must end now" — the latest sign of allies' sharpening language as Israel's isolation deepens.

The foreign ministers of countries also including Australia and Canada said "the suffering of civilians in Gaza has reached new depths." They condemned "the drip feeding of aid and the inhumane killing of civilians, including children, seeking to meet their most basic needs of water and food."

The communiqué was signed by the foreign ministers of Australia, Austria, Belgium, Canada, Denmark, Estonia, Finland, France, Iceland, Ireland, Italy, Japan, Latvia, Lithuania, Luxembourg, The Netherlands, New Zealand, Norway, Poland, Portugal, Slovenia, Spain, Sweden, Switzerland and the UK, as well as the EU Commissioner for Equality, Preparedness and Crisis Management.

YESTERDAY, IT WAS ANNE FRANK TODAY IT IS RASHAF IN GAZA

Yesterday, it was Anne Frank. Hiding. Hungry. Living in fear. Bombs and bullets all around her. Today, it's 12-year-old Rashaf. Hungry. Fainting. Sick. No food. And bombs and bullets all around her. It took years for the world to learn Anne Frank's story. But what's happening in Gaza—we know right now. Please, call now. Call anyone who matters. Call your leaders. Your clergy. Your media. Ask them one question: What can you do today to let food and water reach Gaza? Call now. Save Lives.

DOES YOUR PHONE CALL MATTER?

Yes. They do. It was your calls that forced 90 plus congresspeople to call for ceasefire, initially there were just three congresspeople who did that.

But just phone calls will not do. There must be dua before and after for God to open hearts of the decision makers to make courageous decisions despite the fear of Israeli lobby.

ISRAEL IS BLOCKING 6,000 UN TRUCKS FROM ENTERING GAZA WHILE CHILDREN DIE OF HUNGER

The UN has plenty of food supplies within a couple of miles of Gaza border. It is enough, the UN says, to feed 2 million Palestinians in Gaza for 3 months. There are 6,000 trucks loaded and ready to enter. However, Israel is blocking food and water from entering Gaza. Muslim Americans have also donated millions of dollars to feed their brothers and sisters in Gaza which is not reaching them.
